

CLIMATE CERTIFICATE

Recycling reduces greenhouse gases and as such is an important contribution to climate protection. The Der Grüne Punkt – Duales System Deutschland GmbH publishes its annual environmental assessment since 2001 which confirms this positive effect on the environment. The environmental assessment is regularly reviewed by the environmental experts from IFEU in Heidelberg.

By participating in our dual system for recycling sales packages, the company

Hügli Food s.r.o.
Nádražni 426
281 44 Zásmuky

in **2012** contributed towards saving

29 tons CO₂-equivalents

This quantity corresponds approximately to the annual CO₂ emissions caused by the electric power consumption of 16 private households with two persons.
